

Dear

16

Last year of high school
Student

Has a part time job on Saturday at a local
cfe - washes dishes and sometimes
hands out the food and drink

Plays video games in his spare time
and watches YouTube walk through of
certain games

Lives with his Dad, Mum moved out,
and his younger sister.

Spends most of his time with his
friends "chilling"

Enjoys sports - his favourite subject

Not the smartest student - but not
all that dumb.
